- (a) PRISM and PantherExpress transactions submitted to the Purchasing Services Department from June 1, 2020 to June 15, 2020 will be processed on a priority basis. Any exceptions must be approved by a Vice-Chancellor. Budgets for most research grants can be carried forward to the next fiscal year. A few unique types cannot. Please clearly indicate on the requisition that **“Funds must be spent in the Current Fiscal Year”**. Please indicate the type of special grant to which the purchase will be charged. The Purchasing Services Department will make every effort to process these orders by fiscal year-end. Remember, purchase order amounts are not reflected on your level reports until an invoice is received and validated for payment by Payment Processing. Any purchase orders or service contracts for which the goods or services are received or performed after June 30, 2020, will not affect departmental budgets until FY 2021.
- (b) Vendor invoices received that do not match a University purchase order will not be paid. Please ensure that any invoice discrepancies (NOIDS) are corrected by May 31, 2020.
- (c) PCard transactions occurring on, or prior to, June 22, 2020 will affect departmental budgets in FY 2020 provided that the vendor submits the transaction to PNC Bank by June 22, 2020. Thus, there is a possibility that PCard purchases made on or before June 22, 2020 may not affect FY 2020 departmental budgets.
- (d) SPARS modified on-line after the deadline will be processed for July 2020 activity. Any on-line SPAR processed after the deadline which relates to FY 2020 activity will not be credited back to departmental entity 02 or 03 accounts.
- (e) All batches that remain “non-postable” at the established cutoff date and time will be posted as July 2020 (FY 2021) business unless immediately corrected upon notification by Budget & Financial Reporting.
- (f) **NOTE:** Departments will not have the opportunity to post adjustments to their accounts after receipt of the June Preliminary level reports. It is essential that departments review and adjust their level reports prior to the June Preliminary close to ensure that the level reports are properly stated.
